Comments and Actions:

- It appears that when school is out for a long weekend or short break, our young adults tend to roam the subdivision. During the month there where young adults observed in yards, on the golf course and the next day residents discovered they had items missing, most of these incidents, if not all, happen in the Oldham County section, which unlike Jefferson County has no curfew
- On Halloween I patrolled the subdivision to ensure there were no incidents with the children while trick-or-treating.
- Please remember the GlenOaks Lake closes at dusk, and small children need to be supervised. The HOA has posted signs for safety reasons (these have been posted several years ago),
- Other concerns and actions taken during the month include;
 - I continued to conduct numerous house watches and distribute Night Watch Notices.
 - I monitor the MSD pump station during the late evening hours; young adults are still use this area as a party and parking area.
