Comments and Actions:

1. Speeding has stayed constant again this month and remains the number one traffic issue within the subdivision.
2. As we approach the holiday season, there are numerous parties and family gathering that will take place within the subdivision. So, please remember about being courteous to your neighbor with loud music and parking
3. Safety, I am again starting to see more and more runners/jiggers running on the roadway, please also remember to run facing traffic and wear light color or reflective clothing so you are earlier to see. We don't need to have anyone hurt on the roadways.
4. Personally owned golf carts on the roadways must be operated by a person who possess an operator's license, follow traffic regulations, be properly equipped and cannot cross any roadways with a posted speed limit is 35 mph or more..
5. Other concerns and actions taken during the month include;
 - a. I continued to conduct numerous house watches.
 - b. I am still monitoring the MSD pump station during the late evening hours; young adults are still using this area as a party site and parking area.
