PARKING

I have received numerous complaints about vehicles parked in cul-de-sacs. Individuals need to understand that both ends of the cul-de-sacs are considered a corner of an intersection. Louisville/Jefferson County established a parking ordinance stating that vehicles cannot be parked within 30 feet of an intersection.

Beware, vehicles in violation will be cited and could be towed at owner's expense.

Comments and Actions:

1. During the holiday period when school was out, I patrolled the subdivision almost nightly as a preventative measure. There are still numerous young adults roaming the roadways of the subdivision in violation of the curfew within Jefferson County.
2. I am still monitoring individuals going into residents trash cans either late at night or early morning hours looking for valued treasures.
3. It was the holiday season, and numerous sporting events were taking place. I received complaints of parking on both sides of the roadway. I talked with residents and requested that their guests move their vehicles. In the future please be more considerate of your fellow residents.
4. I am still monitoring the MSD pump station during the late evening hours; young adults are still using this area as a party site and parking area.
5. I continued to conduct numerous house watches for residents while they were out of town for various reasons.

Again the best way to contact me will be through email: phixon1@twc.com. Thank you.
