PARKING

I have received numerous complaints about vehicles parked in cul-de-sacs. Individuals need to understand that both ends of the cul-de-sacs are considered a corner of an intersection. Louisville/Jefferson County established a parking ordinance stating that vehicles cannot be parked within 30 feet of an intersection.

Beware, vehicles in violation will be cited and could be towed at owner's expense.

Comments and Actions:

1. I received complaints about what was thought to be shots fired in and around the eighth tee area of the golf course. Upon investigation it was determined to be fireworks set off by young juveniles.
2. In January there was an above average number of expired vehicle registrations. The majority were college or personalized plates.
3. I am still monitoring individuals going into residents trash cans either late at night or early morning hours looking for valued treasures.
4. I am still monitoring the MSD pump station during the late evening hours; young adults are still using this area as a party site and parking area.
5. I continued to conduct numerous house watches for residents while they were out of town for various reasons.

Again the best way to contact me will be through email: phixon1@twc.com. Thank you.
