### Comments and Actions:

- Disregarding stop signs and speeding still seems to be the biggest problem for third month in a row.
- During snow removal periods there were some vehicles that parked on the roadway, which caused areas not to be plowed effectively. Residents are reminded that this could cause safety problems to other motorist and your vehicles.
- Spoke with owner of a car that had been parked on Elder Lane for extended period-it was moved.
- Advised solicitors to leave the subdivision—which they did.
- Safety Tip!!! There have been several burglaries in the subdivisions designed like GlenOaks off Westport Road. The individual has been targeting homes that back up to open areas like parks, fields and golf courses. If you see a suspicious vehicle, get description, photo & license # if possible, ["call 911"](tel:911)
- Other concerns and actions taken during the month include;
  - I continued to conduct numerous house watches for residents while they were out of town for various reasons.
  - I am still monitoring the MSD pump station during the late evening hours; young adults are still using this area as a party site and parking area.
