Comments and Actions:

- Disregarding stop signs and speeding still seems to be the biggest problem for third month in a row.
- During snow removal again there were a few vehicles that were parked on the roadway, which caused some areas not to be plowed effectively. As a reminder residents need move vehicles so that this could cause safety problems to other motorist and your vehicles.
- Oldham County has arrested the individual(s) that had been doing the burglaries in the subdivisions within your area that was reported to in this newsletter last month. They are currently looking at the items recovered to determine the owners, so these items can be returned.
- On one occasion, there was a solicitor in the subdivision placing items in paper boxes (new restaurant in Norton Commons). They departed the subdivision when they were informed it was a no solicitation area.
- Other concerns and actions taken during the month include;
 - I continued to conduct numerous house watches for residents while they were out of town for various reasons.
 - I am still monitoring the MSD pump station during the late evening hours; young adults are still using this area as a party site and parking area.
