Comments and Actions:

- Although there was a decrease last month, a number of garage doors continue to be left open at night. **Don't be a victim; secure your homes and property.**
- The "Trash Collectors" are still collecting items left at the curb. When I locate one of them, I verify who they are and if there is an outstanding warrant for them. **Please** don't place any items in your trash that would provide an opportunity for them to use your identity.
- Failure to stop for school buses while lights were flashing on Moser Farm Road – I observed the school bus stops on several mornings and talked with several parents who observe their children getting on the buses. I have yet to observe any infractions.
- On two occasions I found solicitors in the subdivision – (1) a lawn care company going door to door soliciting new customers; (2) AT&T told me they were just following up with their clients, on further investigation, I discovered they were going door to door soliciting new clients. On both occasions I instructed them to leave the subdivision.
- Complaint of a vehicle that has been seen speeding through the subdivision several times. I am still working this issue.
