- The lake has only been open for few short weeks and already we are seeing the same problems as the last few years. Individuals not from the subdivision fishing in the lake and unsupervised children using the lake, in both cases they have been requested to leave the lake area, a few children did return with adults.
- The area next to the MSD pump stations again is a hot spot for young adults to park late nights and very early morning.
- With Easter and spring break at the same time, I noticed empty egg cartons at a few intersections, however, I was not given any information that any property(s) being egged.
- I had three resident stop me reference the careless driving of a lawn care vehicle. I was able to locate the driver of that vehicle and advised him of his actions. He said he would drive more carefully in the subdivision.
- I conducted numerous house watches for residents.
