### Comments and Actions:

- During this month there were a number of calls about a suspicious vehicle in the subdivision, upon investigation, it was a surveyor doing a study for new fiber optic lines that may be installed.
- It's golf season, and with that comes golf leagues. During the opening night of one league, there were 17 golf carts driving on Worthington Lane at the end of their round. Some of the golfers were upset when they were advised they could not operate the carts on the roadway, country club was advised of the problem.
- It is spring time and we are starting to see numerous individuals at the lake. Please remember if you invite a guest to fish, you need to accompany them while at the lake. Signs are posted!!
- Other concerns and actions taken during the month include;
  - I continued to conduct numerous house watches for residents while they were out of town for various reasons.
  - I am still monitoring the MSD pump station during the late evening hours; young adults are still using this area as a party site and parking area.
