Comments and Actions:

- Speeding is still the number one traffic issue within the subdivision, it appears to stay about the same number from month to month.
- The GlenOaks Lake is a popular place for numerous individuals and families, I am seeing less violations of unsupervised children. There were two occasions where children were playing around the lake area without adult supervision, I explained to them that it was a safety issue, they understood and departed for home.
- Individuals have still not adjusted to school buses moving throughout the subdivision. Please use extra cautious during from about 6:15 – 8:30 am and then 2:45- 5:15 pm for the children's safety going to and from school bus stops.
- Personally owned golf carts on the roadways must be operated by a person who possess an operator's license, follow traffic regulations, be properly equipped and cannot cross any roadways with a posted speed limit is 35 mph or more..
- Other concerns and actions taken during the month include;
 - I continued to conduct numerous house watches.
 - I am still monitoring the MSD pump station during the late evening hours; young adults are still using this area as a party site and parking area.
