The start of school is one of the three times of year were there are higher levels of malicious mischief reported.

Again, we need you to help us, by making sure when you see or hear something call 502-222-0111 if you live in Oldham County and 502-574-2111 if you live in Jefferson County calling the next day after you discover something has happened the night before does little to help.  
IF YOU SEE OR HEAR IT.....REPORT IT!

### Comments and Actions:

1. Monitored Laurel Lane regarding construction workers, they received citations issue this month, 5 citations were issued in Jefferson County.
2. During the month there were five different occasions that I encountered young adults roaming the subdivision after curfew hours. These individuals quickly wanted to play stupid about the Louisville Metro/Jefferson County curfew hours. Some individuals were followed home, some taken home and some parents were called to come get them. There is a problem with GlenOaks parents not knowing where their children are. These individuals were found to be on the parking lot of the country club; walking on the sidewalks within the subdivision and in one incidence they were standing in the back of a driveway near some vehicles.
3. I assisted other officers on a hit and run accident, an Oldham County Sheriff Deputy has taken the lead on this investigation.
4. On different occasions nonresidents were using the lake and were asked to leave.
5. Young adults are still trespassing onto the MSD pump station property, onto golf course property known as "the pit", and the golf course parking lot.
