Comments and Actions:

1. Fireworks! Fireworks! Fireworks! July 4th, I responded to several calls for service about fireworks being used illegally within Jefferson County. Most understood about what they could and could not use, a few were upset.
2. The "mad bombers" were at it again this month, this time it was the country club greens and fairways were the victim. Again 8th Division made the scene and disposed the homemade water/soda bottle explosive devices. If you know of who the responsible parties are, please let us know before some gets seriously injured.
3. The lake is being visited by individuals not from the GlenOaks. Almost all of them, they have told me that a friend (resident) said it was okay to use, just give their name. I advised them, that was not valid and they did leave the area without any incidents. Please remember if you are allowing a friend to use the lake area you must be with them.
4. I monitored the area next to the MSD pump station as it is a hot spot for young adults to park late nights and very early morning
5. I continued to conduct numerous house watches for residents while they were out of town.
