Comments and Actions:

- Investigation of an individual who came to view a vacant home and stayed without the owner's permission. The individual decided to leave before my involvement.
- Wrote a police report for criminal mischief done at the Stone School entrance to subdivision, I am continuing to investigate with the 8th Division.
- Investigated a non-injury accident at the intersection of Stone School and Worthington, report written and insurance information and report numbers provided to all parties involved.
- Assisted 8th Division and LMPD bomb tech on explosive devises that were left in a mailbox and on resident's back deck on Stone School Rd. Both explosive devises were destroyed and disposed of.
- The lake is opened and being used by individuals not from the subdivision. Upon talking with them a large number of them, they have told me that a friend (resident) said it was okay to use, just give their name. I advised them, that was not valid and they did leave the area without any incidents.
- I monitored the area next to the MSD pump station as it is a hot spot for young adults to park late nights and very early morning.
- Conducted numerous house watches for residents.

Again the best way to contact me will be through email: phixon1@twc.com. Thank you.
