### Comments and Actions:

1. Disregarding stop signs and speeding still seems to be the biggest problem for this month
2. The lake continues to see plenty of action with the warm weather – on the occasions when used parents were responsible and supervised their children throughout the month
3. While parking violations were not an issue, during the holiday weekend there were several occasions when visitors parked on both sides of the roadway, making it difficult for vehicles. Please remember if you are hosting an event, be considerate, that you have your guest just park on one side of the roadway
4. I monitored the area next to the MSD pump station as it is a hot spot for young adults to park late nights and very early mornings.
