### Comments and Actions:

A new issue this month; there have been a large number of young adults that are congregating by the creek alongside the Country Club. The area has been named "The Pit" on Facebook. It is a very popular hangout, with evidence of smoking, drinking and sexual activities. The Country Club has posted "**No Trespassing Signs** – which are being ignored.

Some residents are still leaving garage doors open, the only items reported taken were beer and liquor. In one instance, a garage door opener was taken from a car and used to open the door just enough to gain entry into the garage.

Numerous young adults continue to roam the roadways of the subdivision in violation of the curfew within Jefferson County. So they are now roaming in the Oldham County side of the subdivision where there is no curfew. There were some issues in the Oldham County areas of the subdivision, to assist the Oldham County Police, all young adults roaming the subdivision late at night or early in the morning will be stopped; information taken; and forwarded to the Oldham County Police Department.

I have found on several occasions children unsupervised and individuals not authorized to be around the lake area. In all incidents I have sent these individuals home or out of the subdivision.

The "Trash Collectors" are still collecting items left at the curb. When I locate one of them, I verify who they are and if there is an outstanding warrant for them. **Do Not** place any items in your trash that would provide an **opportunity for them to use your identity**.
